

EC-Conformity Declaration

according to EN ISO/IEC 17050-1

Hereby we confirm that the below listed components fulfil the requirements of the directives stated below according to their design and construction.

Name of Component:	Safety Sensor
Description of Component:	Safety Switch magnetically operated for Ex - zone
elobau Part No.:	671 261 ..., 671 262 ..., 671 V62 ..., 671 271 ...
Relevant EC-Directives: (current version each)	Directive 94/9EC ATEX Machinery Directive 2006/42/EC
Applied Harmonized Norms:	EN 60079-0:2009 General requirements EN 60079-11:2007 Intrinsic safety 'i' EN 60079-18:2004 Encapsulation 'm' EN 60079-26:2007 Equipment with equipment protection level (EPL) Ga EN 61241-11:2006 protection by IS EN 61241-18:2004 Encapsulation 'mD' DIN EN ISO 13849-1, EN 60204-1
Applied National Norms and Technical Specifications:	EC Certificate BVS 03 ATEX E 126 X 1. Supplement 2. Supplement
	Quality Audit  0123
Modification Index:	E
