ORDERING KEY

| | |
|------------------|-------------------------------|
| | ALNICO magnet with housing |
| 324SG001 | With normal magnetic field |
| 324SG001S | With amplified magnetic field |

Article characteristics

| Attribute | 324SG001 | 324SG001S |
|----------------------------|-------------|-----------|
| Dimensions | 19x28,5x6,3 | |
| Material | PA, AlNiCo | |
| Operating temperature min. | -20 °C | |
| Max. operating temperature | 100 °C | 75 °C |
| Mounting type | Screw | |
