

## Mounting bracket for sensors

### Product characteristics

- Suitable for M18 and M30 sensors
- Different materials and variants suitable for various installation situations

Technical drawing

IMAGE 1/4

Technical drawing of a mechanical part, showing a side view and a top view. The side view (left) shows a thickness of 1,5. The top view (right) shows a rectangular base with a semi-circular top. Dimensions include: overall width 42, overall height 70,5, semi-circular top radius 18,2, three vertical slots (3x 3,2), a central slot (30), and a bottom slot (30). Angles of 16° are indicated for the side view. A material specification 1.4404 is shown.
