

## Conector Deutsch DT 06-8S 4/8 pinos

### Especificação Técnica

- Para sensores de inclinação N3/N4/N5

### Desenho técnico

### ORDERING KEY

| L1HC00 |     | Deutsch connector DT 06-8S                         |
|--------|-----|--|
|        | 1   | Cable length 1m ± 30mm                             |
|        | 3   | Cable length 3m ± 40mm                             |
|        | 5   | Cable length 5m ± 60mm                             |
|        | 0   | Cable length 10m ± 80mm                            |
|        | B   | 8-pin  |
|        | B4  | 4-pin  |
|        | B4A | 4-pin  |
|        |     |  |
|        |     | Other cable materials and cable lengths on request |

## Características do artigo

| Attribute                  | L1HC...B                          | L1HC...B4     | L1HC...B4A |
|----------------------------|-----------------------------------|---------------|------------|
| Cable material             | PVC                               |               |            |
| Operating temperature min. | -40 °C                            |               |            |
| Max. operating temperature | 80 °C                             |               |            |
| Min. storage temperature   | -40 °C                            |               |            |
| Max. storage temperature   | 80 °C                             |               |            |
| Connector type             | Deutsch connector DT 06-8S socket |               |            |
| Cable diameter             | 7,5 +/-0,2 mm                     | 5,5 +/-0,3 mm |            |
| Number of pins             | 8                                 |               |            |
| Number of strands          | 8                                 | 4             |            |
| Wire cross section         | 0.5 mm²                           |               |            |
| Cable length               | Selectable (1m, 3m, 5m, 10m)      |               |            |
